WINE BY THE NUMBERS

Tutti Mangia's wine list includes over 250 hand-picked wines from all over the world. Our domestic selection includes over 100 wines from the states of California, Oregon, and Washington. Our international selection begins with more than 60 choices from Italy's most popular regions and a few from lesser known, up and coming locations such as Umbria, Campania, and Apulia. Rounding off our international wine list is over 10 additional choices ranging from Australia to Spain to France. Our collection includes over 25 varietals and more than 90 selections that are a price-friendly \$75.00 or less. For those who want to "step it up a notch", we offer many reserve wines, including more than 50 selections of older vintages and hard to find esoteric wines. Over 25 of our wines have a 90+ rating from renowned wine publications. Whether you're ordering a whole bottle or choosing one of our ever-changing array of wines-by-the-glass, our extensive collection has something for everyone. We hope you enjoy our wine selections as much as we have enjoyed tasting and choosing them and always remember to drink responsibly. Salute!
